1.0 INTRODUCTION

The Lawrence County Department of Job and Family Services (LCDJFS) wishes to engage the services of qualified contractors to provide legal services for the Child Support Enforcement Agency (CSEA). Prospective contractors should possess some history of successful service to other clients, preferably with experience in providing this same type of service to other government entities. The purpose of this document is to provide interested parties information, on a fair and competitive basis, but in a manner that will ensure the highest possible quality of services and to enable them to prepare and submit a written bid for services described herein.

2.0 BACKGROUND

LCDJFS is initiating this Invitation to Bid (ITB) in order to obtain the services of a contractor to provide legal services for its Child Support program. LCDJFS intent is to enter into a contract with the selected contractor for a term of one year. The contract awarded by the LCDJFS to the successful contractor must be approved by the Lawrence County Board of Commissioners.

In addition, this ITB specifies the need for each prospective contractor to provide background information such as experience and qualifications. Prospective contractors shall submit a written bid in accordance with the requirements set forth in this document. If a bid does not meet the specifications outlined in this ITB, the bid may be deemed non-responsive and removed from further consideration.

Furthermore, each prospective contractor must provide an email address to Tiffany.Porter@jfs.ohio.gov as soon as possible, so that LCDJFS may contact the prospective contractor if necessary to amend this ITB or for other reasons relating to this ITB. Failure to provide such an email address will preclude LCDJFS ability to contact you, but you will still be required to comply with any changes made to this ITB. LCDJFS will not be responsible for prospective contractors' failure to receive such notice.

2.1 INQUIRIES

Written questions concerning this ITB must be submitted and received by LCDJFS no later than 4:30 p.m. EST on December 14, 2018. Written questions may be mailed to LCDJFS Attn: Tiffany Porter, 1100 S 7th Street, Ironton, Ohio 45638 or emailed to Tiffany.Porter@jfs.ohio.gov. LCDJFS will endeavor, but shall not be required to answer any such request for information. Any forthcoming answers shall be provided via email communication to all persons/firms who have received copies of this ITB.

Contractors intending to subcontract services must indicate that intent in the bid; as well as identifying the specific subcontractor(s). Any subcontracts not identified in the bid will require the prior written approval of LCDJFS. Furthermore LCDJFS reserves the exclusive right to approve or reject any subcontracts requested by the contractor subsequent to the submission of a bid.

5.0 ADMINISTRATIVE GUIDELINES FOR SUBMITTAL

LCDJFS requires that all contractual bids adhere to the following guidelines:

5.1 ACCEPTANCE OF TERMS AND CONDITIONS

The submission of a bid pursuant to this ITB shall constitute acknowledgement and acceptance of all terms and conditions set forth herein. Bids must contain the required information outlined in Section 4.0 to be deemed responsive. LCDJFS may, however, waive minor informalities and omissions in the bid if it so decides, in its sole discretion, that such informality or omission is not prejudicial to interests of LCDJFS or to fair competition. Bids shall also be unconditional; any bid that purports to impose conditions not included in this ITB may be deemed non-responsive.

5.1.1 Bids must be type-written and in English;

5.1.2 Bids should be on 8.5" x 11.5" white paper with no less than 1" margins, use standard black 12 point type font, be stapled or bound securely, and include one (1) original and two (2) copies;

5.1.3 Bids must be enclosed in a single, sealed envelope plainly marked with the words "LCDJFS Legal Service Bid".

Bids must contain firm offers for all services to be performed for the duration of the proposed contract. The ITB and the resulting bids, or any part thereof, may be incorporated into and made a part of the contract. LCDJFS reserves the right to further negotiate the terms and conditions of the contract with the selected contractor(s). If contract negotiations cannot be concluded successfully with the highest scoring contractor, LCDJFS may negotiate a contract with the next highest scoring contractor. This ITB does not commit LCDJFS to award a contract. LCDJFS also reserves the right to withdraw this ITB at any time, to reject all bids, to reject any bid for noncompliance with ITB provisions, to choose not to award a contract if such action is determined to be in the best interest of LCDJFS, and/or to waive any informality in the process when to do so is in the interest of LCDJFS.

5.2 WITHDRAWAL OF BID

A contractor may withdraw a submitted bid in writing at any time prior to the specified due date and time. Faxed withdrawals shall be accepted. A written request to withdraw, signed by an authorized representative of the contractor, must be submitted to LCDJFS Attn: Tiffany Porter, 1100 S 7th Street, Ironton, Ohio 45638. After withdrawing a previously submitted bid, the contractor may submit another bid at any time up to the specified submission deadline. All bids submitted and not withdrawn prior to the end of the submission deadline shall be firm and may not be withdrawn after the submission deadline for a period of one hundred twenty (120) days following the deadline for submission of bids specified in this ITB.

5.3 COST OF ITB

The contractor understands and agrees that LCDJFS is not responsible for any costs incurred by the contractor in responding to this ITB. Contractors whom respond to this ITB, including possible attendance at a post-submission interview of contractor, are solely responsible for their own incurred expenses.

5.4 CONFIDENTIAL INFORMATION

All bids shall be deemed public records within the parameters of Ohio Revised Code Chapter 149. However, the contents of submitted bids to this ITB will not be deemed public records until completion of the evaluation process and thus will be treated as confidential information. If a contractor believes that the ITB requires the disclosure of technical proprietary, or trade secret information that the contractor is not willing to make public, such information should not be submitted. No part of the bid may be designated as confidential.

5.5 ORAL PRESENTATIONS

If requested by LCDJFS, selected contractors may be required to make oral presentations to supplement their bids. LCDJFS will make every reasonable attempt to schedule each presentation at a time and location that is agreeable to the contractor. Failure of a contractor to conduct a presentation to LCDJFS on the date scheduled may result in rejection of the contractor's bid.

of all bid submissions.

7.0 PROHIBITION OF COMMUNICATION

After the submittal of bids and continuing until a contract has been awarded, all LCDJFS personnel involved in the ITB process will be specifically directed against holding any meetings, conferences, or technical discussions with any contractor except as provided in the ITB.

Contractors shall not inquiry at any time as to the bid submission status of any and all competing contractors. Failure to comply with this requirement will automatically terminate further consideration of that contractor's bid. Furthermore the total number of submitted bids shall not be disclosed to any party by either LCDJFS or by the Lawrence County Board of Commissioners until after the bid submittal deadline has expired.

8.0 EVALUATION CRITERIA

8.1 PRELIMINARY EVALUATION

All submitted bids shall be first reviewed to determine if all requirements are met and if the bid format and content meet specified requirements. Failure to meet mandatory requirements will result in the bid being rejected as non-responsive. In the event that all contractors do not meet one or more of the mandatory requirements, LCDJFS reserves the right to continue the evaluation of the bids and to select the bid which most closely meets the requirements specified in the ITB.

8.2 EVALUATION PROCESS

The overall bid will be scored using quantitative calculations where the most points will be awarded to the bid that provides the most value to LCDJFS. Various costing methodologies and models are available to analyze the cost information submitted and potential value to be derived to LCDJFS. LCDJFS will select one method and use it consistently throughout its evaluation.

LCDJFS reserves the right to interview or to seek additional information relating to criteria already in the ITB from any candidate after opening the bids, but before entering into a contract, to reject any bid if it deems it to be in the best interests of LCDJFS, and to award a contract to the next qualified contractor. LCDJFS reserves the right to check references identified by any contractor or associated with any previous employer of any employee of the contractor identified in the bid. This ITB and the bid, or any part thereof, may be incorporated into and made a part of the final contract. However, LCDJFS reserves the right to further negotiate the terms and conditions of the contract with the selected contractor. The contract will, in any event, include fixed prices to be paid by LCDJFS for the contractor to perform the services as provided herein under "Services Required."
